D. HILL
NURSERY COMPANY

DUNDEE, ILL.

Phone HAZel 6-3451

Largest Evergreen Growers in America

SUMMER and FALL 1962

PLEASE NOTE: Enclosed is a convenient order form. Indicate quantities, shipment date desired, etc, and use the PREPAID postage fold-over arrangement. All orders will be acknowledged promptly.

PRICES, TERMS, and CONDITIONS OF SALE: This catalog supersedes and cancels all previously published lists and prices. Terms are 2% 10 days, net 30 days. All accounts are due 30 days from date of invoice. Cash discounts allowed only when prior balance is fully settled. Carrying charge of 1% per month charged on past-due accounts. Credit will be extended to new accounts, upon receiving satisfactory trade references and allowing sufficient time for investigation.

SHIPPING, WARRANTY, AND CLAIMS: Every order accepted only with definite shipping instructions. Our plants warranted to be true to name. Also, nursery stock when shipped warranted to be in good, healthy condition for transplanting or resale.

We sell under the standard form Nurserymen's Non-Warranty Clause, which reads: "We give no warranty, expressed or implied as to description, quality, productiveness, or any other matter, of any nursery stock we sell." We cannot accept any responsibility for any guarantee our customers give to their customers or any governmental department, municipality, or agency. All shipments are at the risk of the purchaser after being delivered to carrier in good condition. Any claims whatever must be made within 20 days after receipt of nursery stock. All quotations and offers are made for immediate acceptance and subject to stock being unsold upon receipt of order.

This catalog establishes wholesale price basis, and is intended only for the trade and licensed dealers.

Delivery of representative orders can be arranged VIA truck or semi-trailer. This rapid, frequent trucking permits you to operate with inventory closely related to your week-to-week sales, and means more "turn-over" of your stock. Ask for more facts!

**TRUCK SHIPPING,
TO SERVE YOU
BETTER!**

IMPORTANT NOTE! We urge any nurseryman interested in a substantial quantity from this group of Taxus bed-liners to plan, if possible, a personal visit to Dundee. Inspect these Taxus growing beds.....Seeing and comparing will prove most convincing to you! Bed-liner transplants sold in multiples of 10 only. 30 of same variety and size at 100 rate. 250 of same variety and size at 1000 rate.

HEAVY BED LINERS

NOTE: The QUALITY of our Heavy Bed-Liners must not be confused, nor compared, to much lighter plants, obviously available at what appears to be a lesser cost. These Hill's LINERS are heavy, trimmed transplants.

Bed-Liner transplants sold in multiples of 10 only. 30 of same variety and size at 100 rate. 250 of same variety and size at 1000 rate.

DUNDEE-QUALITY JUNIPER GRAFTS (PRE-STAKED)

THEY . . . GROW BETTER . . . GROW BIGGER

Hill's openly invites comparison of their superior quality Juniper Grafts with all similar products advertised "just as good." Hill's has always SET the standards.

AVAILABLE FOR SHIPMENT APPROXIMATELY MAY 15th, 1963

JUNIPERUS PROCUMBENS

Japanese Juniper

This is the best of the blue creeping Junipers. Often used in borders, along banks and against backgrounds of flowers or other evergreens. Likes full sun best. Moderately slow growing to ultimate 10 foot width and 1 foot height. This is really a tough hardy plant.

JUNIPERUS PROCUMBENS NANA

Dwarf Japanese Juniper

Bluish-green, heavy foliage. Dwarf creeping habit. Ideal for low and very limited planting areas. This plant will add charm to any landscape 1 1/2-2 ft. wide.

JUNIPERUS CHINENSIS

SARGENT GREEN

(Green Sargent Juniper)

The best of the hardy green, creeping Junipers. This is a natural for the modern, low ranch house. Frequently used against a background of other evergreens or flowering shrubs. Matures at 4 feet wide and 1 foot high.

JUNIPERUS CHINENSIS

SARGENT BLUE

(Blue Sargent Juniper)

This plant is ideal for low border plantings. It is not more than 8-12" in height and creeps along the ground to considerable distance. Does best in sun and has bluish foliage.

AMES JUNIPER

(Juniperus Chi. Ames)

A broad, conical upright juniper with sharp, blue-gray foliage. Mature height 4' to 5'. Prefers sunny, exposed location. Very hardy selection made at Iowa State College in 1945.

BLUE HAVEN

(Jun. Scop. Blue Haven)

An attractive compact, easily maintained Silvery blue Pyramidal Juniper. Their average height is 8'-10' and will reach this growth more rapidly than most Junipers.

CANAERT JUNIPER

(Jun. Virginiana Canaert)

Best known of the upright, green junipers. Very hardy and good winter color. Small, bright blue berries in the Fall that attract birds. Reaches 7' or 8' height; 3' width. Likes full sun or very light shade.

WELCH JUNIPER

(Jun. Scop. Welch)

Narrow, columnar compact growth habit. Bluish-green color; silvery new growth. Prefers sun and dry well-drained soil. Needs minimum pruning.

DUNDEE JUNIPER

(Jun. Virginiana Hill)

Favorite cone shaped upright juniper that reaches 7' to 8'. Fast growing in fully exposed locations. Handsome blue Summer color; plum color in Winter. Very hardy. Most used for entrance and accent plantings. A HILL introduction.

HILLSPIRE JUNIPER

(Jun. Virginiana Cupressifolia)

Smoother and more formal than Canaert juniper. Fast growing, bright green upright that will reach 6' or 7' height quickly and with minimum trimming. Sunny locations best.

IOWA JUNIPER

(Jun. Chi. Iowa)

Iowa Juniper is another excellent selection of the Rust Apple Disease Free Chinese Juniper selections made at Iowa State College. Attractive irregular upright growth to 10'. Heavy, bluish foliage. Like sun best.

MANEY JUNIPER

(Juniperus Chinensis Maney)

This is a dwarf, semi-upright tree with grey-green foliage. Good in full sun or partial shade, and especially hardy in cold climates. This tree shears well into a globe or pyramidal form, growing to an ultimate height of 4' to 5'.

MOUNTBATTEN JUNIPER

(Jun. Chi. Mountbatten)

Very smooth, symmetrical upright plant with rich blue-gray needles. Thrives in sun or light shade. This new plant is a Canadian introduction where it is known for its hardness. Ultimate height 8' to 10'.

SILVER OR BLUE CEDAR

(Jun. Virginiana Glauca)

Bright blue upright juniper of graceful, open habit. Very effective against the modern redwood type homes. Reaches 7' or 8'. Best in sunny locations. Needs annual trimming if formal effect is desired.

JUNIPERUS CHINENSIS

KETELEER

(Keteleer Juniper)

A true upright form of Chinese Juniper, free from cedar apple rust. It has a good green color, is rapid growing, and has very attractive berries.
